GUIDE DOGS

Ready? Set? GO!

63 days to build the foundation

ULTIMATE PURPOSE

Training at School

Puppy Raising

Early Development

ULTIMATE PURPOSE

Environmental enrichment shown to induce profound and long-lasting behavioral & neural consequences.

- Resilience
- Adaptability
- Confidence
- Cognitive ability

Early Development

Where we began

IWDBA Conference 2017 Banff

BUILDING THE REFERENCE LIBRARY

Fear of **novelty** begins at 4 weeks, peaks about 9 weeks.

Extensive “Reference Library” provides pup with familiar experiences, not novelty.

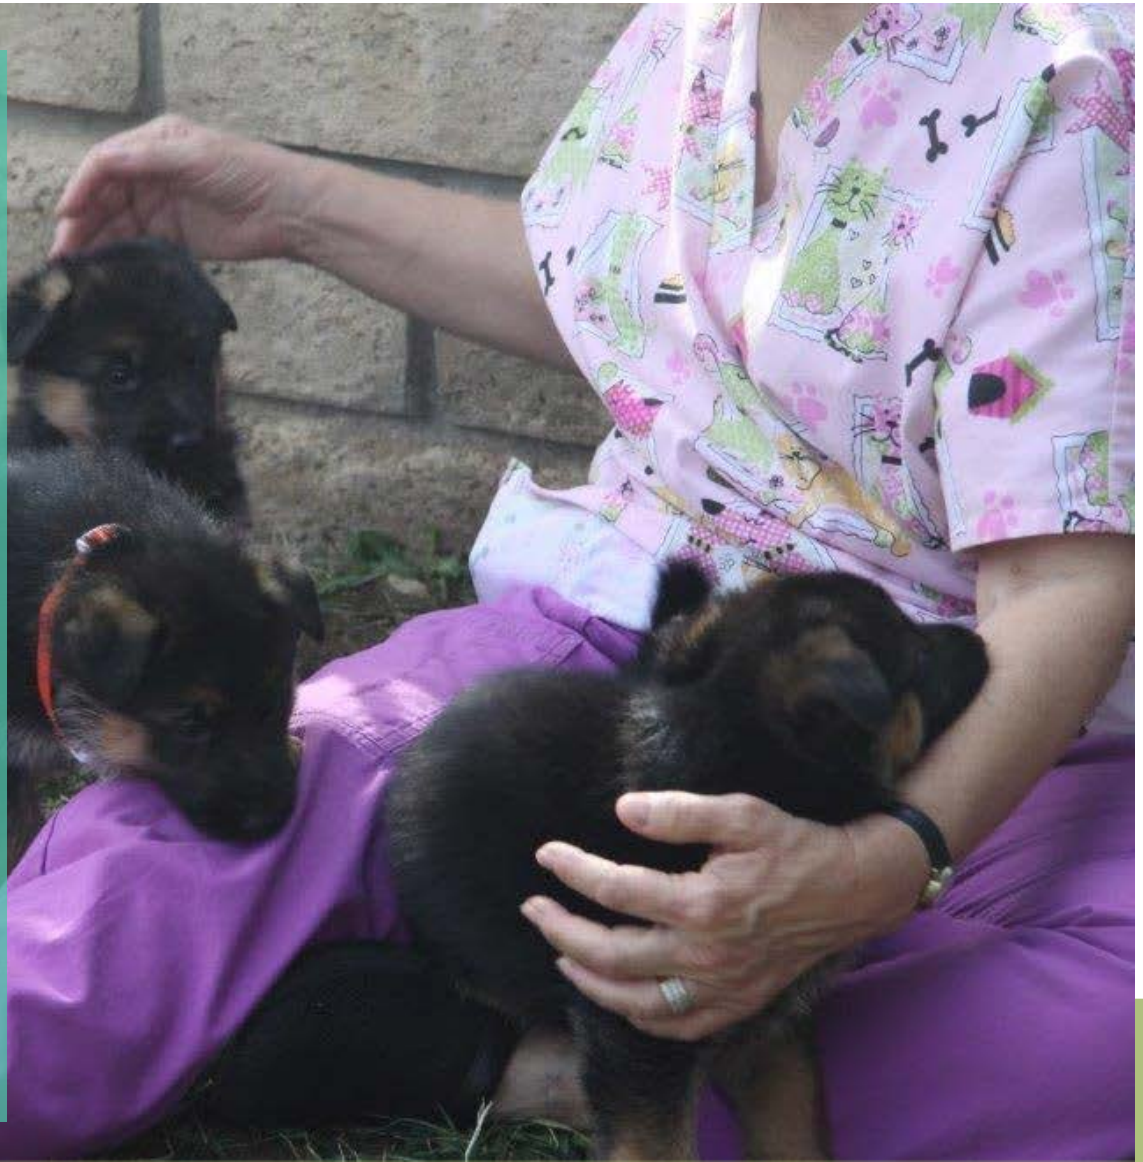

Growing the program & puppies

IWDBA Conference 2017 Banff

© 2017 Suzanne Clothier

Strong social relationships are key to any guide dog's success. Learning *how to connect* to people starts with handling at birth & continues.

Connection & training begins early
