

## Thank you for your support of the International Working Dog Breeding Association!

As a Corporate member, you are able to delegate accounts to members of your organization. These members will gain full access to all regular membership benefits (e.g. journals, IWDC archives, etc). Members will keep these benefits as long as your subscription is active. If you have any questions, please contact us at [help.desk@iwdba.org](mailto:help.desk@iwdba.org).

### STEP 1.

Go to “My Account” and scroll to the bottom of the page. Under your “Subscriptions” tab you will see your active corporate subscription with a “Sub Account” link, shown below.
